“ *So sorry for your loss Janelle, as I know it will be difficult but knowing your faith and with your many friends and family praying for you should make it better. Keep faith and we will have to get together for lunch or whatever, I always enjoyed talking to you and you are such a thoughtful person I am sure it will make it better for you. You are so lucky to have your best friend Tracy, she is a great support system. Stay positive Janelle and I will be in touch with you. Love, Maxine*
