“ *I met Ron five years ago and what a great guy! The only bad thing about him was he was a Packer fan. :) But he was always a good sport when the Bears beat his team. My fellow Sox fan, friend, and coworker will be greatly missed! My thoughts and prayers are with him family and friends.*

“ I worked (and partied!) with Ron years ago when we worked together in the Dixon ComEd office. What a great guy! Even though I haven't seen him for a few years we still exchanged Christmas cards. I am deeply saddened by his loss. My sympathy and prayers to his children and family.

“ Having worked alongside Ron Grygiel for many years I can tell you that he was a true and good friend. Ron loved the White Sox and loved to rub it in to me that the Cubs haven't won a world title in over 100 years. Ron will be sorely missed. May God Bless him.

“ *Dad you were my best friend  
Someone I could always turn to  
There was never anything for me  
That you would not do*

*You were the warmest kindest man  
To everyone you met  
You left a lasting impression  
NO ONE will soon forget*

*You were the hardest working  
Most caring loving man  
People think the world of you  
And wish you were still here with them*

*No matter how much you were hurting  
You never let it show  
You and an amazing smile  
Your laughter could set the room aglow*

*You seen me through the good times  
You helped me through the bad  
And through everything we went through  
You never got that mad*

*Now the phone calls have ended  
And the emails have too  
But one thing that hasn't changed  
Is the love I'll ALWAYS have for you*

*I will love and miss you forever  
You will always be in my heart  
Of you we will speak daily  
You'll always be the most important part*

*I LOVE YOU DAD*

*As I know you know  
But now up to Buscia Dzia Dzia and Ed  
It is time for you to go*

*Love always and forever  
Chris\**
