“ Mrs Andermann was my second grade teacher, but, of course, She was Miss Link then. All of the Bethel kids of that era remember her fondly. She was kind, fair, and made each of us feel special. After we aged out of her class and she married David, we always looked forward to Hay rides and bonfires at their farm in the fall.

On behalf of the Bethel kids, sending deepest sympathy to David and family, and godspeed to Rosemary.

“ What a blessing Rose was when she came to Zion, Harvester. I so clearly recall her with her notepad and pen that August, as she moved about the school meeting people and asking questions and jotting down answers. The light in her eyes and the warmth in her smile were still there years later when we met up at conferences. I hurt for you, her family, but rejoice with Rose as she experiences perfect healing. - Cheryl Lail

“ What a lovely, lovely person! Rose was at Bethany when I arrived to teach 3rd grade in 1992. Right away I could see how much she was loved by everyone and especially by all of the students! She always had a smile and a kind word as she patiently worked with them in PE. A big surprise for me was her command of that big blue school bus that she drove to shuttle each class to and from the PAC. She had that whole thing down to a science! She was so fun-loving and always participated in faculty events including the talent show, choir singing for NLSW, meetings, faculty plays for the students and parents, and get togethers. She even drove my class on many field trips including Shedd Aquarium and even one to the Andermann farm. I was so thankful as well when she would take my handbell ringers (and all of their equipment! 🤪) on trips to Grace in Chicago. She was a wonderful colleague and I was proud to teach with her at Bethany! David, Ben, and Heather, nothing I can say will ease your pain, but I want you to know I am so sorry for your losing someone as special as Rose.
