“ I am so sorry to hear about your mother's death. I just happened to go through the online Dixon paper this afternoon and saw the obituary. I wanted all of you to know that I am thinking about you.

“ I knew your Mom in her role as Mrs. Santa. She was always friendly to me and a joy to work with. I lost my own Mom on Nov. 1st, so I really understand your sorrow. A friend who also lost a Mom this year wrote to me and said she thought "God must of opened a new section in Heaven this year in which He needed to place many new shiny diamonds, because He has really called home some Jewels in 2006. May good memories fill your heart at this sad time.
