“ Why?

by John Etter

*Why does the sun rise and give light,
Only to set again too soon?*

*Why do stars twinkle so bright,
Only to pass away with the moon?*

*Why does a rainbow appear with colors to show,
Only to fade for no apparent reason?*

*Why does a flower take so long to grow,
Only to wilt during winter season?*

*Why does snow fall so mysteriously and lay,
Only to change and then melt?*

*Why do people enter our lives along the way,
Only to leave us when they knew how we felt?*

I guess no one will really know why, but God above

*But we should be happy for all those creations
We had some time to know and to love.*

Kathy, Jr, Tina, and Michael

You are in my thoughts

*I share comfort in knowing Uncle Roger is no longer suffering. I
send thoughts of sympathy and support to you as you begin your
journey without Roger.*

With thoughts of peace and courage for you,

*Love,
Robin Powell**

“ *Dear Kathy,*

*So sorry to read of Roy's passing.
The two of you have been through an
awful with his health problems. I know it has been hard. You are
such a wonderful person and I know you took very good care of
him.
We will miss him next year when we do taxes.
I know you are very strong and if there is anything I can do to help,
just call the office and they will get a hold of me.
Wishing you the best.
