“ Russ worked with me in the Nissan showroom at Ken Nelson Auto Group for the last year and a half. While extremely saddened by his passing I appreciate the fact he came back to Dixon so that I was blessed with the chance to get to know him at all.

We golfed together, tipped a few drinks together and talked a lot of music and sports together over the last year and a half. He made a lot of friends at the group in a short period of time and never had an ill word with anyone here to my knowledge. (In the car business, that's saying something.) He had an easy going manner with the customers also which served him well.

My condolences to all his family on his untimely passing. We will all miss him here at Ken Nelson. I have missed him already as he was usually the first person I saw in the morning. I will continue to miss him as a coworker but much more as a friend I enjoyed to spend time with. RIP Russ until we meet again. (Perhaps then you can teach me to golf as well as you do!)

“ To all of Russ's family, I am deeply saddened by his death. Just a few months ago we all enjoyed his company at our annual family reunion. We will have those memories as we all mourn his loss.
