“ *I have lots of fond memories of Aunt Ruth. All the times we had family dinners and she gave our family the leftovers.*

*Picking strawberries in their berry patch.*

*Watching her iron her sheets and wondering in amazement who does that?*

*I will always remember her as a lady of dignity and grace with a great smile!*

*She was a grand lady and will be sadly missed by all of us.*

“ I am sorry to read of the passing of Jay's mother. At this time of seasonal joy and the happiness of greeting your grandson, it must be very difficult.

*I recall stories of Jay's mother, especially how very stylish she always dressed. She must have been a wonderful person to raise such a compassionate and kind son as Jay.*

*My sympathy and prayers are with the entire McCracken family.*
