“ *I had the honor of delivery Ruth's meals M-F since taking the position 6 1/2 years ago. I enjoyed delivering to her as she always had a kind word & welcoming smile for me as well as her many neighbors & friends at McReynold's Towers. It won't be the same delivering there without her & she will be missed by all. I enjoyed occasionally adding to her considerable refrigerator magnet collection & often joked she might need to add a second fridge to have enough room for them all! I am also appreciative for her referring me to her eye doctor(Imler) when I was looking for a good one a few years ago as he has been great. I wish to offer my sincere condolences to all of her friends & family during this time of loss & hope that her example will continue to inspire others.*
