“ *when I was growing up in Franklin Grove Diane and I spent alot of time at eachothers house. Her parents treated mr like I was just another daughter. Even then I ha never seen a family so close. I know through the years that bond never waivered. God Bless you all*

“ *I always remember looking at family pictures and videos that Sandy so painstakingly put together and saved. Her smile, her telling you like it is whether you like it or not. (Usually, you didn't mind because it came from Sandy. And she loved you anyway.) She always made visits special. Thank you Aunt Sandy. I love you and I miss you. Our thoughts and prayers are with Buck and the girls.*

“ I remember my somewhat reserved and quiet Aunt Sandy enjoying our "pirate themed" family reunion at our place in Wisconsin a few years back. She was so happy to be on a mini vacation, talking with relatives, and participating in all of our goofiness with the biggest smiles and laughter. We're going to miss you sweet aunt. All of our love always and forever.
