“ I took classes with Sandra at SVCC. We were in Biology class together and had a tutor to help us through. Sandra was always upbeat and I loved talking with her. Sandra you will be missed.

“ I hope that Sandy's family can take comfort in knowing that their loss is commiserated mutually by her Kreider family. We mourn alongside you because Sandy was a valuable member of the team and Boyd will not be the same without her.

I didn't work with Sandy consistently, but when I saw her name on the schedule I was always excited. Sandy would relieve me in the evening and I feel like my talks with her made our work brighter. She was a hardworking role model that brought dignity to her profession. We all miss her.
