“ *Scott, here's to you from a friend going way, way back when we were kids and I remember riding the bus with you, probably on the way to Y camp maybe, and we were all grooving to Chicago "stronger every day". You were singin' "Oh ohhhhh yeah!" ha ha, I always remember that. I delivered papers to your grandparents. Those days mattered and I will remember you. With love and respect, Eric Miller*

“ *Judy and family, so sorry to hear of Scott's passing. Although I didn't  
see him much after he moved to Alaska always enjoyed when he  
stopped by the fire station. I can picture him and Jim hunting and  
fishing in heaven! Bob Meany*
