“ *scott was one of my dearest friends,i was president for local D-480 in charlevoix, Mi, the same time he was President for his Local. I first met scott in Las Vegas in 2005 at a union conference, we spent six great days together talking cement. I would see him again in 2007 at a great lakes conference in Indiana. The only two times i ever saw him in person. Since then we talked every month for the last 7 years. I will miss him so, what a great man. Randy Zipp*
