“ *To the Family Of John Hardy:
Sharon and Nettie, I'm very sorry to hear of John passing. He and Dale always pick on me growing up. I will always remember them Just like my Uncles. They both looked out for me through my teen years. You are in my prayers and I'll try to see you girls when I get back to Amboy.
Blessing to you all.*

“ *What a good friend. John talked with nothing but praise about his children. I as well as all of us in the mechanical maintenance department from the nuclear plant, send our deepest regrets to the family. I had the pleasure to work with John, be a hunter safety course instructor with him and a committee member of Pheasants Forever with him. We have surely lost a good person. His memories will be with me always. May he rest in peace.*

“ John,

You were quite a "free spirit" when I knew you in school. I hope your life continued to be so happy as when I shared that time with you. I understand that you suffered a lot at the end. Rest in peace. G
