“ Charlie, was my brother in-law and friend. I grew up in Chicago and coming out to the farm was always a thrill. I drove tractors, but I had to start slow. I drove my first riding mower in 1989 with a few lessons from Charlie . I cut the lawn to his delight. I moved on to bigger machines from tractors and chisel plowing.to riding in the Combine. What a machine that is. His love of his motorcycles was the next thing I did for the first time , He taught me to be safe and aware, The first time I went on the road a deer came out of the corn and ran along side with me, kind of scary but fun. I helped when I could. I learned many things. His Harvest parties were always great fun.

You will.be missed Charlie bro.

“ My last memory of Charlie was at Larry's funeral when He invited and I promised to visit him and Linda at the farm 'in the spring'. He wanted to show me his motorcycles. We were good 'Books on First' friends over the years. Now I send my deep condolences to Linda and the family on this most significant loss to all, not least to the community. May God Almighty provide for all who grieve with God's tender care and assurances of Christ's victory over death.

“ *I have many fond memories with Charlie. From Walton Grade School to riding the "Harmon Flyer" to Newman, raucous ping pong games in "Big" Charlies basement and campfires out in the yard on the farm in Harmon. Especially the jokes. Charlie was a wonderful source for jokes that I tell to this day. I will truly miss my good friend.*

“ I so enjoyed the times we shared in these last few years as I visited from Texas. He quietly endured our laughing at such silly things, and he always welcomed me so warmly. May you be comforted by the knowledge of the closeness you shared and the loving care you gave him, especially these past few years.

“ What a kind and steady soul! Although I was more involved with Linda as my piano teacher and the girls when I was babysitting, Charlie was always ready with a smile and maybe a quiet joke. May your memories and his legacy keep you going during this time of loss. With love and prayers, Cindy (Smith) Heckman
