“ *Steve was a gentle kind man who we worked with at plant. He was always upbeat and positive about our station in life, which could be very stressful and depressing at times. I Looked forward to seeing (BIG STEVE) with his welcoming smile and occaisional handshake. to get me thru some pretty dark days. He made the most of what he was given and worked hard for successes we had. He is an inspiration to me. RIP BIG STEVE. Mike B.*
