“ Sending you my thoughts and prayers on Sue's passing. I remember her from when we were in school in Amboy. Sue was always friendly and was one of the parents who got along with everybody. She was always friendly and always had time to stop and talk. She'll definitely be missed!

“ Casey, Shawn, Coco, and Kelly..Words will never be able to express to you how much we will all miss your mom. She was a **WONDERFUL**, playful, and loving person to all of you and to all of us. I am especially thankful for the second home she provided growing up. There was never a time that she did not offer to let me enjoy the many campouts in the back yard, fishing behind the cemetary, or cooking out on a homemade barbque pit int he back yard. I even got to experience my first out of season deer hunt with her. She was the best at making a campfire and turning anything we had into a tasteful meal. When you were around her you never knew what you did not have. Family gatherings will never be the same because you could always count on Aunt Sue being there. Regardless of whatever else was happening she always made it a point to show up for birthdays and other special events. I will miss her tremendously but am so thankful that each of you shared her with me.

“ My family sends its thoughts and prayers to the family. There are few words that can be spoken to help the feelings you are experiencing at this time but through family and friend your memories will bring smiles to replace the tears.
