“ It was my privilege to work with Sue for over 35 years. She was a most dependable person. If she said “I’ll take care of it” you knew her word was good. I also recall how Sue loved Halloween - her favorite holiday! We’ll miss you, Sue!

“ Sue will be sadly missed. When you reserved a vehicle you know it had been taken care of, and it was in good condition. If I remember right she had pet names for some of the cars and vans. At Christmas time there would be a special treat in your mailbox with no name attached. Then you find out it was from Sue. Rest in peace Sue and to her family know that she was a valuable asset to Sinnissippi

“ Sue's standard response to "How are you?" was always "fair to midland". I am hoping her response now will be "euphoric in the ultimate paradise of heaven". She was one of a kind. Rest in peace.

“ It is with sincere sadness that I send my condolences today knowing that Sue is no longer with us. She was one of the best, most pleasant, dedicated and trusted employees at Sinnissippi that I had the pleasure of working with over the years. Sue will be truly missed by each of the employees, the clients and families she came in touch with over her many years of employment, and by the community she so graciously served throughout her life.....Sue will truly be missed....May She Now Rest In Peace.

“ *What a devastating loss to all those who knew her. Her service to others - especially to those of us in the Girl Scouts of Northern IL family under her umbrella of care - was an inspiration. All that care, service, and experience - she will be missed.*

Sue will be greatly missed here at Sinnissippi Centers! Sue did so many things behind the scenes that folks were not even aware that she did. I believe it will take 2 - 3 staff to do what she did in a week. She was a very dedicated worker and was always making sure things were taken care of for staff. Our clients will also miss Sue as she is the one that picked up many of our client's and brought them to and from services. She worked in all types of conditions to complete her job! She is someone you could always joke around with and be serious when it was needed. Prayers and comfort for the family.

Sue so glad we got to co-aunt the 3 wonderful kids in our families. I will always remember the fun we had at Disney World with our nieces and nephew. And how we got to be big kids with them and the smile on your face was priceless. I will always remember you as fun loving and child like.
