“ *Sybil & I go WAY back- we went to High School together & used to go to each others house & stay the night & spent a lot of time together. I remember her sisters/brothers/mother & father. We grew apart & went in different directions as she took on a family & I moved to Florida. I thought about her now & then & wondered how she was doing & where she was; I am very sad to hear of this great loss & hope the family will find strength to get them through this trying time & be assured that the good lord has taken another angel home! RIP Sybil ! Love, Joyce Jones Hilton*
