“ *Tedra and I shared an office at Kreider for many years. She was one of the smartest RN I've ever know. She was always their to help people and cared very much for the clients at Kreider. I've never know anyone who loved and cared for animals espically cats as much as she did. She will be sadly missed. Lee**

“ *I was so sorry to hear of the passing of Tedra. She was a talented nurse and such a smart woman! Many of us counted on her knowledge whenever we had a medical question. She was also very caring about the clients she supported at Kreider Services.*

We are currently collecting donations from the staff to place a memorial brick in our park in honor of Tedra.

May she rest in peace.
