“ So my Brother Tom's drivin, Terry's shotgun, and I'm in the back seat. We just turn on to W 3rd Street (goin east, it's a one way) and the car next to us has a flat tire.
Terry yells "It's a Blowout!, Tom, Step on it". He did and to this day I don't know if Terry was jok'in or serious. All I knew was, that I was having a great time with my Brother and Terry Foust. God Bless Terry Foust and all his family.

“ I was saddened this morning to see that Terry has passed away. Not only was he a childhood friend but I had the pleasure of working with Terry as a fellow employee during our time at Lawrence Brothers Inc. I always respected and valued Terry's knowledge and the way he treated those he worked with. Whenever I wanted advice I could rely on, Terry was the guy I would seek.
My deepest condolences to Kathleen and children, Cecilia and the Foust boys. Terry will be in my prayers.
