“ Living away from Dixon for so long I had lost touch with people but Tim will always be in my heart. Tim and I had a unique friendship and shared so much over the years. He was one of my closest friends. David, I hope you will always remember how lucky you were to have Tim as your dad.

Much love to you all,  
Rea

“ Brenda I am so sorry to hear of your loss. Tim was special in so many ways! He will be missed by all! God bless you in your time of grief and if you need anything, anytime, please feel free to call me! I'm sorry I couldn't be there, but just know you and his family are in my thoughts and prayers. I know I will never forget all the fun times we had at Baldy's years ago. He was always a riot to be with yet always so protective. I loved that about him. He had a great sense of humor. Take care hon and remember if you need anything even just to talk, I'm just a phone call away.

Love you Brenda

“ My sincere condolences to Tim's family. He was my first love so many years ago and he always had a special place in my heart. I will always remember those days in the park --when we were really too old to be playing on the swings and slide but did it anyway. And how he used to scare the c&\*& out of me when we played hide and seek in the cemetery.

May you find comfort in the memories he left behind. Starr
