Not sure when I first met Pit but hit it off and had been friends ever since has to be over 25 years. Many good times pheasant hunting. And other adventures. Rest in peace dear friend.

“ Todd was one of my husband's best friends throughout childhood til now. We both have so many memories especially Mike aka Spider. A memory we will share is our wedding day 10-2-1993 , Todd was an usher. My aunt asked for a seat upfront so she could see everything. Todd said I can do that but it will cost you. Always fun, sarcastic but warm and caring. We will miss you, Pitt! Condolences and prayers to the family especially Joy. Love , Mike and Vicki Todd

“ Oh Pit, we go way back to early elementary. 'Ole friends since. My heart is heavy. Your light always shined bright wherever you were. So sorry for such a loss to Pit's family and to his lovely wife, Joy. I regret not going to our 45th Class Reunion and not stopping by, just yelling out, "Hey Pit", as I rode past your house while you sat outside on front porch. You will be missed. No more pain my friend. RIP 🙏

“ Such sad news to hear! I spent many hours afield with Todd chasing pheasants. He was a great shot and it was an absolute pleasure to be with him during those times. I will never forget his big broad smile and friendship. May God bless his soul!

“ I just saw him a few weeks ago out raking his leaves. I stopped and yelled at him he could pay people to do that! He laughed with that big smile and said come on I have an extra rake! I am sorry I did not take him up on it 😞 R.I.P. to the boy that either sat in front or behind me all through grade school & always stole my pencils that had a "teepee" engraved on them. T.P. to T.P. I am glad I got to spend time with you at our last reunion.
