“ *I first met Tonya in the high school cafeteria, so we would sometimes eat lunch together. I remember always feeling welcomed around her. She would ask how I was doing and give me a big hug. After graduating high school, we finally ran into each other again. I was so happy to see her and to see she was doing well! She remembered me and again gave me a big smile and hug. Last night I had a dream of Tonya-made me want to post on her wall.*

“ To: Tonya's family. It is with our sympathy in the loss of Tonya. Although we only saw her when she was a very little girl, she was part of the Andrew family. Her great grandmother, Alice Dewey was my aunt. Alice was my mother (Emma Andrew Draege) sister. I remember great family reunions with Clarence Sr and Jackie, Richard, Robert and Betty and their kids. Sorry to read about your loss. Violet Ebens and my husband John Ebens, Chana II.

“ My condolences to the family on the loss of your loved one. I didn't know Tonya but was sorry to hear of her passing. When we lose someone we love in death, the pain, grief and feelings of helplessness can seem unbearable. But remember that the Almighty God sees your tears, he feels your pain, and he will continue with you to comfort and sustain you through this difficult time. (1 Peter 5:7)

“ Tonya began in my Early Childhood Education class thirty years ago. When I had the good fortune of seeing her, I was always delighted to visit. She was excited to see me and gave updates about her life and what was happening with her family members. She always made me feel special. My heart aches for all who loved her. You have my deepest sympathy!
