“ To Ted and Carolyn and Family Of Tracey:

I'm so very sorry to hear of Tracey, I have many memories Growing up with the Etheridge's and Noble's. My parents were all friends with and there friends, many a tupperware party or stanley. All of us kids played together Tracey and Connie and Cheryl and Wes and I all knew if we got in trouble Mom's friends were right there watching out for us. Many a time we all spent evenings together. Joyful time were had by all... Even though I've been away from Amboy 28 yrs I still try to see My Mom's old friends when I'm home. Ted and Carolyn Your Loving and giving of Tracey has touched us all She was and is Angel sent ahead of us all to make way for us. My prayers are with you all.

*Many Blessings,
Ronda*

“ Dear Ted and Carolyn,

Ellen told me your sad news. I'll never forget all the fun us kids had running around playing while you guys, Mom and Dad, and Bob and Carol all sat around visiting, or had an Odd Fellows picnic out at John Searls cabin or the pond where we'd all go fishing. Over the years I've lost touch with everyone and haven't seen Tracy in such a long time. Another piece of our childhood is sadly missing, but will never be forgotten. My deepest sympathy to you both and your family.

Love, Sharon

“ Tracey was a wonderful lady...always friendly and happy. I think she loved it when we called her Aunt Tracey! She definitely earned her wings and is now enjoying heaven! Thoughts and prayers to the many lives she touched. Each day without her will just be one day closer til we meet her again!

With love,

Maria
