“ *Listening to music, crying, missing you! You would be so proud of Trevor, Trey, and Trent. They all, in some ways, are so much like you! All three can work on cars - Trent is entirely self-taught! I sure wish you were here, to show him that all anything needs is a new tranny! :-)*

“ *My mother passed away on May 1st of this year and even though I had never met him, Troy donated money towards a gift box of e-liquid for me from my vape fam on Facebook. I thanked him personally through a PM and he told me, "You're welcome, and I'm sorry for your loss." I was surprised to hear that he passed shortly after that. He was an awesome person and I know how bad losing someone you love hurts. I am praying for him and his family. God has another angel by his side. God bless him and his family. May you find peace.*
