“ *Vicki was one of my clients when I had the hair salon. I loved doing her hair and visiting with her. She was always fun and easy to talk to and she had great hair. I had great admiration for Vicki as it was obvious she was a hard working, fun loving lady. She will be greatly missed.*

“ *I haven't seen Vicki since 1972, but always remember her as a sweet and happy person. I found out that Vicki has suffered a great deal for a long time from her Facebook friends.  
To the Bonnell and Kelly family, sometimes there are no words but know that your loss and sorrow are shared by the many friends you have. Isaiah 25:8*
