He was a good friend. My apologies for the late response. I don't
hear much from the Amboy area any more.*

“ Dear Bonnell & Floto family,

I did not personally know Virgil, but I grew up with Lois, Lee, Leo and Sue. I have experienced the death of a sibling and know first hand how painful it can be. So I just wanted to offer your family my sincere condolences and to let you know you are all in my prayers during this very difficult time.

*Warm Regards,
Kathy (Rockwood) Freeman*

“ Virgil,

I will always remember you holding my infant daughter, Kristin, and a baby pig. You had two squealers in your arms that day!

Your gentleness, kindness and devotion to Caroline describe how you raised your children and treated others who came into our life.

Life is blessed with people like you who come into our lives only to be called home.

Blessing,

Eileen
