“ *I would like to send my thoughts and prayers to Pete. It seems you have had hard times lately, with the loss of your Mom and also Barb. I'm here if you need to talk. Once again my thoughts and prayers are with you my friend always.*

“ *The best memory I will always have is her cruising us around in the gold 61 Chevy impala I think it was and going to the country for Pete to drive Virginia was like another mother to me. I was at her home as much as mine in my youth. She was a wonderful woman. A true neighborhood mom to the to us rascals. She will be missed but not forgotten because she touched many lives in her services both at home and work.*

“ *Virginia was such a joy to be around. I loved fellowship time with her at Immanuel in Amboy. Her faith was inspiring and her say "it how it is" style was a blessing to me.*

*May her family find comfort and peace in the promises of eternal life through Jesus.*
