“ *Todd and Tiffany,*
You have my condolences on the loss of your father. Hopefully,
Warren is in hunting heaven where the truly big ones roam. When
he would stop and talk to me alongside the road, he would have
something critically positive to say. I will always remember his wit.
Take care.

“ Warren was a good friend whom I knew for many years. I worked with him on The Chicago and Northwestern Railroad many times. He was Good Railroader and a great person. My thought and prayers are with the family and his friends. I will miss him. He always showed up at our annual Retirees Dinner in East Dubuque, Illinois in July. We will say a special prayer for him at this years dinner.

“ Warren was a great friend, neighbor & mentor. He had a tough exterior with a very kind heart. He was the guy that would give you the shirt right off his back (although he may then tell you how to wear it!) Lol It's really hard to know that he is gone. That we'll never see him at the Elks, that he'll never show up at our house on the atv again to have a beer, he won't be there to go fishing with the boys, or there just to smile that big smile and 'grunt' like only he could. He was a good man and one that will be greatly missed. I feel consoled knowing that he's in Michele's loving arms right now. Looking down and raising his can to all of us. Our heart goes out to you Todd, Nicholas & Tiffany with love as you celebrate his life. He was greatly loved and respected by many.
