“ I remember walking home from high school with Angie and stopping in to see Wendy on the way. She would always ask me if I wanted a pop and my response was always "I don't care." her response to me was " say yes or no, do you want one or not?" I think this was her way of telling me to speak up for myself as I was a shy kid. I loved her laugh. She was always so kind and had smile for me.

“ Wendy and Bill lived on a farm that had Shetland Ponies they weren't ridden however, her and I convinced Mary and Deb to try riding them. It didn't end well. But neither the ponies or riders were damaged. Loved Wendy. She was always in my corner. RIP old friend.
