“ So many memories of Mr.Marshall, golf balls for playing jacks, helping at the Corner Tap filling up mustard, ketchup bottles and salt n pepper shakers and filling up the napkin holders, road trip to a beach front lake in Rock Falls or Sterling. But my favorite is when Karen and I baked a double batch of brownies and we left out an ingredient and they came out flat and hard as a hockey puck but he gnawed on one and made us feel like they were as good as Snow White bakery. I will also not forget how Bill and Carolyn road tripped back to Cortland for a surprise 25th wedding anniversary party for my parents. Great neighbors and friends. My heartfelt sympathy to you all in this time of grief yet joyful celebration of a life well lived.
