“ *Bill was a good man, who exceeded his limitations. I remember good times playing with him when I was a child, he was always so happy to see us, and he was a lot of fun, I'm glad Ally got to meet him and know him. I remember the day at the campground when he was there with the folks from his work. We had some fun. I regret I will not be able to get to Illinois for the service, but please let me offer my daughter's and my condolences, He was really a man to be proud of. And he will be greatly missed.*
