“ I worked with Bill at CDW early on in my career and he always took the time to sit down with me despite age and ignorance, most of the time in the late hours of the night. He made a great impression on me with his approach to people and a pioneering work ethic I've not witnessed since. I will always remember him as the original architect of CDW, mentor and friend.

“ So sorry to hear of Bill's passing. He was a great guy and I knew him from when he ran the sound board for The Festival Of Praise group I played in at Holy Apostles Church in McHenry. Bill was always willing to donate his time, always in a good mood, very helpful, and an all around nice guy. Thank you Bill for all you did for us all. You will be missed.

“ *I started working with Bill at CDW in 1997 and he was my mentor for many years. Those were the days when the company was small and the team was like family. He was so very patient with me and never got worked up over things, and that helped me to remain calm. I learned more from Bill than anyone else in my field and truly appreciate having him around as a colleague and friend. I attached a picture from my wedding in 1997.*
